Mr. F. M. Kercheville

Dear Mr. Kercheville:

Mr. Dulles has asked me to send you the enclosed glossy photograph as requested in your telegram of 16 April. In regard to the guest editorial message which is due to appear in the New Mexico Ballot Abroad Shrine Magazine, I might say that the excerpts should be identified in some way with the respective speeches made by Mr. Dulles.

Your kind comments concerning the work performed by Mr. Dulles and his staff are indeed appreciated.

Sincerely,

STAT

The attached telegram came in on Saturday. It is the result of a letter JSE wrote to Kercheville last April. The basic and enclosures are in ER. Mr. E said that we left out one important thing in our letter of last year to Kercheville -- to say that if the excerpts were used, there should be some statement to the effect that these remarks are from speeches made by AWD. Mr. E said that we should write Kercheville to say this and at the same time send him a glossy print of the DCI. You'll probably want to contact Grogan about this. We should do this as soon as possible because, as you'll note, the excerpts are to be used in a 1 May issue.

STAT  
Mr. F. M. Kerechville  
[redacted]

Dear Mr. Kerechville:

Mr. Dulles has asked me to thank you for your telegram of 16 April inviting him to provide a guest editorial message for the New Mexico Ballot Abroad Shrine Magazine.

Because of the pressure on Mr. Dulles' time in fulfilling official duties, he has made it a practice not to prepare specific items of the type you request. He does, as you know, from time to time give speeches to various groups throughout the country, and in the thought that excerpts from some of these speeches might be useful, he asked that I forward a few of them to you.

Mr. Dulles was grateful for your kind remarks concerning his brother and asked that I extend to you his appreciation for your thoughtfulness.

Sincerely,

SIGNED
